FEEDBACK ON MATERNITY PADS AND DIAPERS.

Below is a summary of comments on the samples availed to Nakasero Hospital Limited:

Areas of Assessment	Maternity Pads	Diapers
1. Comfort	Comfortable but folds	Comfortable
2. Length / Size	Ok	Fitting well with size
3. Thickness	Normal	Normal
4. Glue	Not adequate	-
5. Fluid holding capacity	Can be used from day three same as what we have	Good
6. Sensation against the skin	No reaction	No reaction

Other Comments: The samples are very similar to what we are currently using. We can therefore use them.

Kind regards,

Sr. Asiah Bakari

Chief Nursing Officer
