## **REPORT ON ELTRA LAUNDRY DISINFECTING DETERGENTS.**

Reference is made to the above subject.

The report and feedback concerning the above detergents were appreciated by our Hospital Laundry for their excellent quality performance, very efficient and very effective.

They are user friendly, and can disinfect and remove stains at a temperature as low as 40°. They are recommended for both coloured and white laundry. We highly recommend these detergents

Kind Regards

  
Sr. Deborah Masiira
